Illinois 59 bridge repairs begin Monday

CHICAGO – The Illinois Department of Transportation announced today that repairs to the bridge that carries Illinois 59 (Neltner Boulevard) over Roosevelt Road (Illinois 38), in West Chicago, will begin, weather permitting, Monday, Oct. 25.

To complete the work, southbound Illinois 59 will be reduced from two to one lane over the bridge. Northbound Illinois 59 traffic will not be impacted. Motorists should also expect various temporary daytime lane closures on both sides of Roosevelt Road at Illinois 59. Additionally, a full overnight closure on Roosevelt Road at Illinois 59 will be required to accommodate the installation of the steel beam.

The work is expected to be completed in mid-November.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
